REQUEST FOR A REFUND TO DEPOSIT ACCOUNT 07-2069

BOX 16

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

An apparently incorrect charge appears in the above-identified deposit account statement dated 8-31-01. The charge posted on 8-29-01 and is for \$80.00. Since the charge has a fee code of 102, which is for independent claims in access of three, it appears that this charge applies to the above-identified patent application filed in this case.

After recounting the claims to check the accuracy of the original payment, 13 independent claims are counted. The original payment, which was mailed with the

application, having check number 22188 (attached) for \$1798.00 included the amount of \$800.00 to pay for the fees for 10 independent claims in excess of three independent claims at the cost of \$80.00 each. (Also, see the attached application transmittal, which accompanied the application as filed.) Thus, the fees for independent claims were properly paid at the time the application was mailed by the above-identified check, and, likewise, the \$80.00 charge was incorrectly applied to the above-identified deposit account on 8-29-01.

Applicant therefore requests a refund in the **total amount of \$80.00**, which reflects the aforementioned erroneous deposit account charges. We request that \$80.00 be credited to Deposit Account No. 07-2069.

Should there be any questions regarding this Request for a Refund, please contact the undersigned attorney at the telephone number listed below.

Respectfully submitted,
